SUPPLEMENT

1. The Andarte archives are now in the hands of the Greek General Staff. The General Staff and General Ventiris have refused to turn them over to Minister of War George Stratos.
2. The plans of the Greek General Staff which were drawn up at Volos, have been stolen and given to KKE. Another source reports that the General Staff plans were stolen by one close to General Spiliotopoulos and given to KKE and then turned over to Marko Vafiades.
